The Road Ahead

John Reed, President

Asked and answered: Last month an urgent request went out asking for a volunteer to take over the editorship of the Prieta POST, it didn't take long before the request was answered.

I'm happy, OK, we're all happy to announce that Kat Hsueh has stepped forward and will take over the duties of POST Editor within the next two months. Kevin Bennett and Kat will be working hand-in-hand to ensure a smooth transition from one hand to the other.

Kat, who joined LPR in August, 2017 says she enjoys writing and has experience with Adobe Creative Suite, Photoshop, Acrobat Pro and InDesign - back in the day (geez, she's not that old!) she worked for Adobe. In the past Kat has created real estate fliers and handbooks for various organizations. She's currently responsible for compiling a quarterly newsletter for Furry Friends Pet Assisted Therapy group. Now she's onboard to tackle the POST editorship for a new set of furry LPR friends, who may or may not need therapy...welcome aboard, Kat!

The bad actors are out there: I recently attended the Zone 7 President's meeting where one of the topics of discussion concerned hackers, scammers and fraudsters and their attack on personal and business/club emails. We discussed this at the last LPR board meeting and I will pass on to you information recently received from Chip Witt, via email from our Zone Rep. Collin Fat. Chip is a security expert and President of Redwood Region:

Common Techniques of Frauds....

1. Using an urgent tone, requesting that the monetary funds or gift cards funds be transferred ASAP.
2. Stating in the fake email that the recipient is in a meeting (or out of the country) and cannot be disturbed by email exchange or phone calls.
3. Emails requesting fast action, especially if the request is not following normal procedures and poorly written. Note: Make a phone call to verify the legitimacy of any financial transaction prior to executing it.
4. Cyber-criminals will make sure they request a legitimate-looking amount to wire transfer, to avoid suspicion this is insight they would have gathered through their social

❖ The Road Ahead..

engineering research Note: Trust your gut; if something seems off or unusual assume fraudulent until it has been proven otherwise. Martin Licciardo, Special Agent, FBI Washington Field Office added, “The best way to avoid being exploited is to verify the authenticity of requests to send money by speaking to the authorized requester directly...don’t rely on email alone.”

I hope these fraudsters, hackers and scammers tips will be of help in any future encounters you may have with these low-life’s. One very important thing to remember – any amount of LPR funds requested over \$100.00 must be approved by the board. The internet email system is a great way for us in LPR to communicate, but keep vigilant for those who don’t have your best interests in mind...because their best interests are always on their minds.

Finally: The weather is becoming more Spring-like as the month of April draws us in, this is a good time to dust off the Porsche and blow the carbon out of the exhaust. You can interpret that last part any way you want. I think I’ll venture out in the Porsche and maybe I’ll see you on...the road ahead!

On the first Thursday of every month LPR members will be found at the East Cliff Brewing Company. The plan is to have a little beer, a little food, a little conversation and A LOT of fun!

Come out and drop in!

The East Cliff Brewing Company is open to bringing in food to enjoy with your mug of brew so

feel free to bring any provisions you feel might enhance your evening chatting with your LPR buds.

East Cliff Brewing Company, 21517 East Cliff Drive, Santa Cruz.

The fun will begin at 5 pm until ???

CAMPBELL EASTER PARADE APRIL 20

come out and join it!**

LPR has been participating in this event for over twenty years so if you missed it, come out and join the fun. We will meet and decorate our cars in the Second Street parking garage at 11:00 a.m. The parade starts at noon.

To sign up call **Kathy Musser** at **831-234-6371** or email at momcat1951@yahoo.com by **April 15**.

After the parade, those interested will parade to Furu-Sato Japanese Restaurant, also in Campbell, to eat lunch and rehash our parade experience.

Complete details will be emailed to participants on April 19.

POST Script

Kat Hsueh, Editor

Hello! *WAVE*

I'm excited to be your new Editor of the Prieta Post. Kevin has left some big shoes to fill (10 YEARS)! I will do my best to deliver the same quality that you've come to expect and will also start personalizing it slightly. I appreciate your help and patience as I learn people's names and figure things out.

As a newbie to Loma Prieta and the PCA, I wanted to tell you a little more about me and how I got here.

Cars and driving have been passions of mine since I was young. I wasn't aware of car clubs (beyond classic cars) until I became involved with a VW Club in the late 90s. Since then, I've been active with at least one car club for driving and social events. In 2008, I founded Silicon Valley Minis and stepped down after 10 years. I still drive a Mini Clubman, my fur baby carrier, on my daily commute. In 2002, I got hooked on going to the track in my first Audi.

The 911 has been my dream car since I was 18 and I finally got "Eva" (2014 base 911), almost 30 years later. I love the Porsche and PCA heritage. More importantly, the members in our region really stand out as nice, down-to-earth people. I am so proud to be a part of this group and encourage other Porsche friends to come to Thirsty Thursday to "get a taste" of the club (and join).

We are now officially in Spring and it's time to enjoy some sun! We have some fun events coming up such as the Easter Parade Tour and a baseball game! And don't forget Autocross!

See you soon!

A Souper Evening

by Doris Britschgi

“SOUP’S ON!” This inviting sign which hangs in the window of a well known deli in the area would have been especially appropriate at Bonnie and Lisa Radding’s home on February 23rd. That was the evening these two hospitable women hosted 21 people for the Annual LPR Soup Night.

Russ and I were among the first to arrive, but others soon appeared. Lisa collected our coats and dollars, then directed us toward the appetizers and drinks found in the living room and den. Bonnie let us know where to put our homemade soups, salads, and desserts. The whole downstairs was soon buzzing with the sounds of people greeting each other, exclaiming over various appetizers, and settling into different conversation groups. There was no doubt another Good Time Gathering had begun.

Before we knew it, it was time to head to the kitchen for the wonderful soups and accompanying dishes. Our hostesses had thoughtfully provided little cups to sample the savory soups before ladling their choices into soup mugs.

Everyone found a place to enjoy their meal in one of three rooms. Russ and I were in the dining room with a congenial group who enjoyed

hearing about Kevin and Debbie Bennett’s new home in Fresno, among other subjects. The sounds of laughter, friendly debate, and assorted chit-chat could be heard throughout the house. As always, snippets of Porsche and LPR news were also occasionally heard.

John Reed made a few announcements about coming events, told us to take home a club directory if we didn’t already have one, thanked our hostesses, and turned us loose to feast on the decadent desserts which were already partially gone. After more mingling, the group slowly departed, full of good food and warm memories of an enjoyable time with LPR friends new and old. Kudos and thanks to all who provided the delicious foods and especially to Lisa and Bonnie for welcoming us into their home.

Sacramento Valley Region

Redwood Region celebrates its 50th Anniversary this year and what an accomplishment. I presented Redwood president, Chip Witt, an official citation presented on behalf of the Porsche Club of America at their annual Run for the Crab event which was held at the Marin Yacht Club in San Rafael and attended by a very friendly contingent of more than 100 Redwood Region members and some 60 Porsches. The event featured a 70 mile 2 hour tour of some of the best back roads in Marin County including the scenic Point Reyes National Seashore followed by a hearty crab feed. Thanks to event chair Sharon Castle and her volunteers for a great event.

Above: Redwood Pres Chip Witt and Collin Fat

Reviewing the history of the region, which was founded in 1969, I learned that the region was an off shoot of Golden Gate Region. A local Porsche Club at the time known as Tamalpais Porsche Club, based in

San Rafael, approached PCA and the Golden Gate Region in September of 1968 to discuss their idea of forming a new region of PCA. After submitting bylaws and an official application to form a new region, Redwood was officially recognized in January of 1969. The region's first president was Dr. John T. Korn and so it was that the Region was started. Many of you may not know that in order to apply to create a new club, several things must happen, 1) you must have a group of at least 15 Porsche owners, 2) if the region you are interested in starting is currently part of a current region of PCA the new region must seek the permission of the current region and 3) submittal and approval of a new set of bylaws and application. The then president of PCA was Charles Kuell and the then president of Golden Gate Region was Dwight Mitchell. Dwight later moved to the Sacramento Valley Region where he opened Autosport Technology and served as SVR president in 1983 and 1994.

Redwood Region currently has a membership of over 633 primary members and is one of the most active regions in Zone 7. The club has several events per month including tours, dinners, a monthly breakfast, an active autocross program, and participates in the Zone 7 concours series.

I would like to extend congratulations to club president Chip Witt, the board and the 633 members of the club for their 50 years of commitment to Porsche Club of America and for being a part of the largest single marque car club in the world! Happy Golden Anniversary and wishing the club 50 more years!

Diablo Region past president, Ed Won, wanted me to let all the regions in Zone 7 know about 3 events that his club has scheduled in conjunction with the West Coast Racing Series for those DE enthusiasts that can turn the race weekend from a 2 day event into a 3 day event. Diablo Region will hold DE's on March 22nd at Thunderhill; May 20th at

Buttonwillow; and on November 25th at Sonoma.

The Zone 7 Presidents meeting was held in Fairfield on March 2nd and with the addition of the Zone AX chairs, we had nearly 30 region leaders in attendance. The meeting was attended by special guests Cindy Jacisin, PCA National Vice President, Sandy Provasi, Zone 11 Rep, Tom Provasi, Werks

Reunion Chair, and Mike Holtzclaw, Alaska Region President who joined our meeting. The meeting topics covered a broad range of important topics such as the responsibilities of the Zone Rep, region membership updates, the responsibilities of the region presidents, adoption of an Emailer 3.0 guideline for the Zone and a special presentation on risk management, insurance and PCA's updated strategic plan.

Looking ahead to many of the events of interest in the Zone as well as PCA are the following;

- PCA Treffen Santa Barbara, April 3-6th, (Event sold out)
- Zone 7 AX series events #1 and #2, Marina, April 13-14th
- Zone 7 Concours School, April 14th, Porsche of Livermore
- Diablo Region Concours #1, Porsche Livermore
- PCA Club Race, May 18-19th, Buttonwillow
- Porsche Parade, Boca Raton, Florida, July 21-27th

The Week After Tour & Brunch Sunday, May 19

Join us for a short drive in the Santa Cruz Mountains that will culminate in a visit to the Hindquarter Restaurant in Santa Cruz where we will eat, drink, and merrily celebrate moms everywhere.

Participants in this tour/lunch will order off Hindquarter's menu. Please bring cash. The restaurant will do separate checks if we pay with cash. There is of course, the LPR toll of \$5.00 per car.
