The Road Ahead

John Reed, President

We set a new record...

A new record? Try 86 drivers at the last LPR autocross! It appears that our autocross series is growing more popular by the year, which shows that co-chairs Anne Roth and Dave Dunwoodie and their team are doing a bang-up job for our region. If you haven't given an autocross a try there's plenty of events left this year, expert in-car instruction is available for the novice as part of the program. Ken Iles exclaimed many years ago, in one of his more lucid moments, "Autocrossing is the most fun you can have with your clothes on!"

Celebrate 50 years of LPR...

2020 is the year that Loma Prieta Region will celebrate 50 years as PCA's Good Time Region. The planning of this special event is in the hands of Kris Vanacore and her committee who have been hard at work putting together an evening of celebration everyone will remember. As part of the ongoing celebration during the year other events are being planned as well, sorry, we can't let the cat out of the bag as yet but when it's time the cat will fully reveal itself. The 50th LPR Anniversary publicity is on the horizon and coming your way soon. Yep, we've been in business for almost 50 years!

A Little Road Trip...

Our Granddaughter graduated from Utah State University a few weeks ago and we, being proud Grandparents, decided we'd take a little road trip to Logan, Utah for her graduation. Why not fly and rent a car? Anyone can do that, we are of hearty stock and like our forefathers before us we climbed aboard our covered wagon/Honda and headed out on a 1,600 mile round trip. Why the family car instead of the Porsche? We needed the space in the car to transport family members once we arrived at our destination, two very tall men and two average height wives would be iffy in a 911 Carrera. The rest of the very tall family rode around in a Chevy land whale that handled more than four.

The drive was mostly on Hwy 80 east and west through Nevada and Utah. Getting out of California is always a challenge but once past Reno

the road was straight, straight and straight. What was breathtaking was the surrounding mountains covered with snow as far as we could see. This was truly picture post card send-home-to-mom stuff. After a night's stay in Lovelock, Nevada (don't laugh this town really exists) we headed out to our final destination, three days in lovely Logan. Our mini-family reunion was wonderful as was the graduation, then it was time to head back home along the roads of Utah, Nevada and California. Again, Hwy. 80 West was a breeze, keeping awake was something else. But, with the help of navigator Angie, XM Radio and rest stops we made it to the border of California...then the fun began!

Driving the freeway system of California can be challenging to say the least. This challenge started a few miles back after passing Reno, it seems drivers headed home needed practice laps (tailgating, drifting lane changes, speeding, etc) to get in the mood for their California adventure. Once these practice laps were over the fun continued, I think I saw a sign welcoming folks to our state which also said that driving like a maniac is okay, just don't get caught. Anyway, that's what I thought it should say. We finally made it home, a little rattled from the freeway experience encountered from other drivers and the road conditions themselves. I read an article regarding our roads where the author, after his drive around the UK said, " They drive on the left side of the road, we drive on what's left of the road!" Maybe the new gas tax monies will help fix this rough and tumble drive, any comments?

One other alarming and serious cause for concern is the lack of officers enforcing the law. Here's the count from our road trip and what we saw: Three State Police in Nevada; Three State Police in Utah: Five CHP in California. Eleven patrol cars in three states on 1,600 miles of roads. I'm sure there were a few hiding out somewhere but we didn't see them. At the start of most professional sports car races the announcer says, 'Ladies and Gentlemen start your engines.' This announcement is how most drivers see the start of their everyday race- commute on our freeways. And may the best man or woman win!

Thanks for tuning into another drive on...the road ahead!

POST Script

Thank you, Spring, welcome Summer!

Thank Mother Nature for the rain and putting us into a non-drought status for the first time in awhile. Spring is sweet because baby animals are in abundance and everything grows. Wineries also release their Spring wines and start hosting some fun events. This is a great excuse to get out outside and enjoy our cars. Mandy, my pup and co-pilot, has enjoyed the attention at numerous gatherings and events.

One of my favorite drives is to Alice's Restaurant on Skyline Blvd. in Woodside, and then from there to [Harley Farms](#) (farm animals with baby goats, and yummy goat cheese) in Pescadero. If you haven't been to Alice's, come join LPR at "Boxster Brunch" every 1st Saturday of each "even" month. Next brunch dates: June 1 and August 3.

Vacation time has started as many schools are wrapping up their year. I am very much looking forward to a 9 day vacation in Florence and Tuscany with close friends. We will be staying in a storybook-like converted farmhouse in the rolling green hills of Chianti. Most planned days include a lot of eating, drinking and gelato!

Lots to celebrate as well: graduations, Father's Day (June 16th) and the first day of Summer (June 21st), so start getting your BBQ grills ready!

"Beat the Heat" Tour

Join us for a fun tour through the Santa Cruz Mountains and along the coast. Let's escape the heat of summer!

We'll be driving through tunnels of redwoods, past coastal farms and along our beautiful seashore.

We'll end our tour with an ocean view luncheon at The Distillery in Moss Beach, a somewhat infamous speakeasy from the Prohibition era.

The lunch is \$30.00 per person along with the \$5.00 per car fee paid to LPR. **Your money, lunch choice and RSVP is due to me by Monday, June 24th.**

If interested, RSVP to Margie or Ken Jensen

Tour on the road

Try a Treffen by Doris Britschgi

Hilton Santa Barbara Beachfront Resort was the headquarters for the Spring 2019 PCA Treffen. It was a beautiful venue with an ocean view for a well planned event with many activity options. Six members of LPR attended: Janelle and Robert Mann, Janelle's parents Bonnie and Gerry Lund, as well as Russ and I.

Gerry, Janelle, Robert and Bonnie

The event offered activities for two driving days plus one "Driver's Day Off". Since getting there is part of the fun, many tours included twisty Porsche roads through the Central Coast mountains and along the ocean when possible. The weather during this

Treffen was pleasantly cool.

Russ and I were especially enthralled with our tour of The Getty Villa in Malibu. The Villa is a recreation of the Villa die Papiri on the Bay of Naples, buried along with the city of Herculaneum during a 79 AD Mount Vesuvius eruption. Getty wanted to build a museum that would

bring to life an upper class home of the era, and the result is magnificent! Many rooms hold some of Getty's collection of Greek and Roman art objects (many other objects are at the Getty Museum in Los Angeles), but we were most intrigued with the architecture itself... exceedingly detailed mosaic tiles on floors and walls, filigreed pillars and arches, opulent ceilings, pools

Getty Villa Inner Courtyard

Getty Villa Inner Corridor

and fountains. Various beautifully manicured gardens with appropriate Mediterranean plants surround the villa as well. One enters the compound from above as if looking at an excavation, and retaining walls are made to look like different layers of earth. The two plus hours we were allotted by the Treffen tour organizers were not enough see it all, in spite of our early

to morning departure.

Rounding out the tour was a prearranged, family style, multi-course lunch at a nearby Greek restaurant where endless platters of food just kept arriving.

Russ and I chose to do a downtown Santa Barbara walking tour at our own pace for "Drivers Day Off". We have always loved the Spanish architecture, red

tile roofs, and historical buildings of Santa Barbara and were not disappointed. After wandering around several blocks of a suggested route and enjoying a pleasant lunch in a popular cafe tucked into a shopping alley, we toured the Santa Barbara County Courthouse. This is an

Santa Barbara County Courthouse

exquisite example of Spanish architecture as well as a working courthouse, and is definitely worth seeing at a leisurely pace.

Our second driving tour included two of California's twenty-one Spanish missions: La Purisima in the countryside near Lompoc, and Santa Inés in the town of the same name. We had time to wander around each

of these historical sites (inconvenienced just a bit by a funeral at the Santa Ines church) before continuing to a delicious buffet lunch at Pea Soup Andersen in Buellton. The winding drive through the hills to reach these destinations was especially enjoyable with lots of wildflowers dotted among the grasses. The hills were still green from this year's plentiful rain.

La Purisima Mission

Through the hills around Santa Barbara

Other groups toured the Santa Barbara wine country, a botanical garden, the Reagan Presidential Library, a trolley tour of downtown Santa Barbara, as well as other spots. There were opportunities to do a sailboat cruise, experience a sailing regatta, or explore other venues on our own. Janelle and Robert spent one day seeing a special Porsche exhibit at

The Peterson Museum in Los Angeles.

Our entry fees included three full buffet breakfasts, a welcome reception on Wednesday, a delicious gourmet Spanish buffet with Spanish dancers

entertaining after dinner on Thursday, a wine and cheese social Friday evening, and a Saturday closing dinner serving Santa Maria-style BBQ. We certainly didn't go hungry!

Like Parade, Treffens offer a great opportunity to meet a variety of interesting people from all over the U.S. and Canada, see

Porsches at the hotel

Doris gets personal with Pea Sous Chef

multiple Porsche models from different eras, and experience different parts of the country. Unlike Parade, Treffens are smaller, three days instead of seven, and non competitive. The six of us from LPR are Treffens fans, looking forward to future Treffens held twice a year in various parts of the U.S. We hope more

LPR members will participate in upcoming Treffens. Watch the PCA website for details, but register early. They fill up fast!

Take Me Out to the Ballgame

by Kris Vanacore

Photos by John Reed and Jim Turk

On Saturday, April 27 Tony and I picked up our neighbors (and club members), Emilie and Bill Highley and headed off for an early evening of baseball and BBQ. After we picked up our tickets and food vouchers at will-call, we spotted Nancy Bishop and Paul Smith waiting in-line just ahead of us. At 4pm, we were let into the Municipal Park and moved quickly to Turkey Mikes for an early dinner. The Reeds and the Mussers were minutes behind us. Now the toughest question of the day, what to pick for dinner. Everything looked good! Once we figured it out, we moved to the picnic area where old school picnic tables waited in ambush.

Tony had gone to use our drink tickets for a couple of beers. On his return, the nasty old picnic table, in an attempt to steal our beer, stuck out its foot and tripped Tony. Well the table got a BIG swig of the beer and Tony scrapped up his elbow/forearm. After swearing at the table, he went off to find a bandaid. The EMTs, while pleasant enough, put

*Chow time for the Mussers,
Highleys, and Jim*

a ridiculously large dressing on his arm but Tony just laughed it off. As we finished eating, Lisa and Bonnie Radding and Lisa's friend Brad Lyons arrived at Turkey Mikes. Come to find out they had been waiting for us at our reserved box seats area.

Nancy and Hugh Calvin

Those of us who had finished up our HUGE plates of food found our seats and 2 more LPR guests, Jeremy Geige and his friend from Singapore. This was Jeremy's first outing with LPR which gave us board members a chance to pass him our business cards. Hugh and Nancy Calvin, also fairly new to the club joined us to bring our total LPR contingent up to 20 attendees.

The game was fun to watch but more fun still was watching Gigantus (the SJ Giants mascot) flirt with Emilie and then Lisa flirt with Gigantus. Bet you didn't know that both Bonnie and Lisa used to play baseball. We all sang "God Bless America" in our best Kate Smith voices, "Take me out to the ballgame" at the top of our lungs,

John and Angie Reed

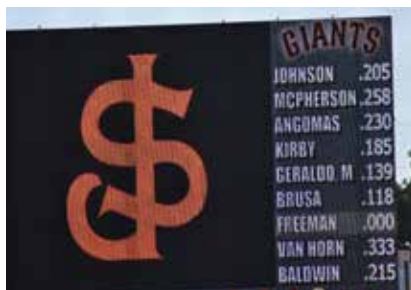

Gigantus making the moves on Emilie

made silly crazy jokes and drank a bit of beer. When the announcer said "Welcome to the Loma Prieta Porsche Club" we stood up and cheered!

The Giants lost to the Stockton Ports but the event for those of us who attended was a winner!

Bonnie and Lisa Radding

A picnic basket filled with food and drink on a red and white checkered blanket on a lawn. The basket contains a bowl of raspberries, blueberries, and blackberries, a glass of beer, a bottle of water, a red and white checkered napkin, and a green placemat. A straw hat is visible in the background.

Zone Autocross Series Opens at Marina

One of my favorite venues to autocross is the Marina Airport in Marina, California just 15 minutes north of Monterey. The venue is concrete and a part of the active airport currently used by the US Coast Guard. The surface is uniform, provides great grip, and is nearly 5 acres in size. The site is rectangular in shape and offers course designers wide latitude in design.

The 2019 autocross season opened on the weekend of April 13th-14th at the Marina Airport with over 70 drivers competing. Saturday was hosted by Loma Prieta Region and had 85 registered drivers with 61 competing in the Zone completion while the Sunday event was hosted by Golden Gate Region and had 78 registered drivers with 53 competing in the Zone competition. A big thank you to autocross chairs, Anne Roth, LPR, and Ed Hunter, GGR, and their teams for putting on a great event. Some of the top drivers in Zone 7 came out to compete under early morning fog. The Zone series consist of 8 events with Golden Gate, Loma Prieta, and Sacramento Valley hosting events. The full schedule can be viewed at the Zone website as well as the results from the two day event.

For members interested in participating in any of the Zone events, no prior experience is required and instruction is always available upon request.

Zone Concours Judges School and Event #1

The annual concours school was hosted by Porsche of Livermore and more than 30 concours enthusiasts attended to learn about the complexities of judging and to learn some of the secrets for maximizing scoring in a competition. Thank you to organizers John D'Angelo, Zone 7 Concours chair, and Marc Giammona, Diablo Region Concours chair for their efforts in organizing the event.

On Sunday, April 28th, the first Zone Concours was again held at Porsche of Livermore with 38 cars competing for Zone points. The level of preparation was amazing with several competitors earning perfect scores. The cars ran the gamut of almost all Porsche models built from the earliest 356's, 944's, 914's, 928's, Porsche SUV's, Boxsters and many 911 variants including one very rare 2019 GT2 RS. The weather was perfect and the cars were spectacular. The results are posted on the Zone 7 website at zone7.pca.org

Volunteers Needed:

Zone 7 is seeking volunteers to help out in the hospitality tent, membership booth and corral parking with the upcoming Rolex Monterey Motorsports Reunion August 15-18th and for the IMSA WeatherTech SportsCar Championship September 13-15th. April 2019 Board Meeting Minutes (Motion by Kris, VPs seconded, passed unanimously)

Board Member Reports:

President – John Reed. Establish a policy of unapproved indebtedness not to exceed one hundred dollars expenditure. Motion by Lisa, John second, passed unanimously. Any debts to be disclosed to Board at next meeting.

Vice Presidents – Lisa Radding and Kris Vanacore reported on events: Indy 500 GTG: Lisa has contact for manager at Tee Minus One, Moffett Field golf course; will prepare midmonth blast and have provided details.

The Take me out to the ball park GTG was well attended (20 total) and loads of fun! Total cost of event \$700. 2 couples and 2 single attendees signed up through MSR. The total monies collected minus MSR fees (\$10.20) was \$169.80. The total dollar amount of checks - to be submitted at the board meeting - is \$360. Total income for event \$529.80 with the club picking up \$170.20.

The next GTG is still tentative; June 8th Bye-Bye BBQ for the Bennetts.

Annual Awards Event: Save the date to come for calendar, web, Post.

50th Anniversary Gala: Logo examples distributed to board/committee members. Anne Roth looking into Lands End program that LPR's Goodie Store was part of years ago. Working towards 50th Anniversary swag. Committee meeting soon. Committee includes Lisa, Emilie, Diana Hallock, Margie and myself. Suggested that 2020 as our 50th year not just be about the Gala but that it also includes other events to increase our celebration like a tour, an AX course map from the day, a Gymkhana. It is my suggestion that the committee chairs take these on (divide and conquer). Need goodie store advert/flyer/email blast to promote the Lands End merchandise? Web page currently redirects to national goodie store which has stuff with our logo. Meeting at Diana's house before the Bennett party to discuss. March 28 is date for the gala. LPR first tour was to Pinnacles w/ a picnic. Kris suggested recreating these early tours GTG's for the anniversary.

If these kind of attendance numbers are going to continue, we are going to have to modify our process, etc in MSR. I am going to see what tools are available in MSR for on line registration. We had a total of 86 drivers and we made a little over \$1900.00. 45 signups for AX3.
