# The Road Ahead

John Reed, President

## **Planning for the Future...**

...and the future is Sunday, November 17th when LPR members, under the leadership of LPR Activities Director Vince Vincent, will get together to plan the calendar of events for 2020. The time is 5p.m. at the Round Table Pizza on Camden Ave. Here's where you come in.

This is the time of the year we ask our membership for event ideas and if they're available to help plan, chair, or co-chair an event. We're also looking for new ideas from members who have thought about it, but have never been involved in planning a Good Time Gathering (GTG) - a Tour - a Tech Session - a Rallye - or a Specialty Event - use your imagination! My imagination says we try a cow pie chucking contest with a picnic afterwards, we can toss in some imaginative door prizes as an imaginative ending to the day. See, it's easy to be creative, even if it's a tad unusual.

So, what's your idea for an event? Maybe you've been mulling this over but haven't, as yet, gotten around to putting the idea into play. The 2020 Calendar Planning meeting is your opportunity to show up and let us know what's on your mind. Maybe you're just curious to see what's on tap for next year, whatever the reason you'll be welcomed with the usual LPR hugs and handshakes!

When it comes down to it we need your input and help in planning events in our 50th year as PCA's Good Time Region! We are dangling free pizza, brew and soda as an incentive; Seeing you at the planning session will be icing on the pizza.

## **Finally...**

I want to thank Jim Turk for all of his help in getting out the 2020 LPR ballot. The clear and concise explanation and easy to use links to the ballots were appreciated. Jim has also been doing an outstanding job

❖ The Road Ahead..

with our website and his knowledge of all things techie is amazing, at least to a neophyte old guy who still thinks printed newspapers are the wave of the future. If you haven't taken a look at the LPR website then do yourself a favor and take a look, you'll be surprised at the cornucopia of LPR information that Jim has arranged in an easy understandable format.

That's it for this month. I want to thank the hundreds of people who read this stuff, I'm so proud of all three of you! I hear something calling, could it be a cow in distress? No it's...the road ahead!

Gobble gobble! Thanksgiving is almost here and it's one of my favorite holidays as family and friends gather and have a good time. The food is so yummy, too. We have many things to be thankful for.

Last month's Jacob's Heart Tour was a great success (article on page 22)! I know they were thankful for us to come and visit. Although I didn't make it, Mandy and I are familiar with the organization. We had visited them with a pet therapy group during one of their family memorial events. Cancer sucks!

I have not been to any events lately due to my mother's recent health issues. Hopefully, I will see you at the Elephant Racing tech session and the annual planning session soon. I'm looking forward to some fun and seeing how events are planned for the upcoming year. Can you believe 2020 is right around the corner?

Until next month...

P.S. Did you get your 50th Anniversary swag yet?

## **Rootin' Tootin' Picnic**

**July 13, 2019**

*by Margie Jensen*

Photos by Jim Turk, Ken Jensen and John Reed

Toot! Toot! Pssh! In comes the old steam engine at Roaring Camp Station. As the Morning progresses more and more Porsche's mosey in. Soon, the line of cars parked in the grass grows in a beautiful and colorful rainbow of thirty-five cars ranging across 40 years.

*Impromptu Concours at the Picnic*

The list of attendees is so long that it would take at least one whole page of the Post without the article attached. That said, seven employees from advertiser Custom Alignment took us up on our offer of a free picnic and joined us. Glad to meet you.

We began the morning easing into some great munchies: chips, dips, finger foods beer, wine and soft drinks. The variety was so inclusive that, frankly, if you couldn't find something to drink, then you weren't thirsty.

The Frosthalm's grandchildren, Parker and Ashland, plus potential new member Matt Howard's girls, Natalie and Sophia joined the event. This made it a truly wonderful family event. Fun things to do at the camp included: "Corn Hole", "Horseshoes" and more. The LPR canine crews were all present, and very excited. In attendance were Coco, Mandy, Mae Mae, and Bug.

Before too long the chow gong rang and we headed over to the Barbecue Pit for some hamburgers, hotdogs, chips and beans. As everyone chomped down on their burgers, this picnic grounds were very quiet. Soon

*Bob and Karen Morgan enjoying the picnic*

a fun dessert of S'mores was happening. LPR folks gathered around a large charcoal fire-pit to roast their marshmallows and sing their knuckles. Kris and her fellow picnic coordinators supplied us with cookies and other sweets.

At 1:00, the first game of BINGO began and a rousing round it was with Bob Morgan claiming the

first pot of about \$50.00. Round two was a long. I was beginning to think we were playing "Blackout". Finally, Sue Sickal took the prize just shy of \$40.00 and round three kicked off. Tony Vanacore took the pot at just above \$25.00. By then we were Bingo'd out and started clearing up all the cards and disks.

*Margie and Ken Jensen*

*See more photos in the Sept 2019 POST page 20*

At 4:00 we cleaned up, and headed down the dusty trail toward Felton and the various highways and byways to return home.

## Jacob's Heart Charity Tour

*by Margie Jensen*

Photos by John Reed

They say bad luck comes in three's. Well, this tour has it covered. First, a few days ago, Ken Iles ran over June's foot and broke her toe. Then, Johnny claims Emilie pushed him down the stairs while he was carrying a wine filled raffle basket, but Emilie says he had an altercation with one of her decorative pumpkins while carrying the raffle basket. Only his sore shoulder knows the truth. The third calamity had a different outcome. As Ken and I were driving to Jacob's Heart, we saw this lovely blue Porsche surrounded by flashing lights. Uh-oh driving too fast? Yup, it's a Porsche driver's affliction. When we got to Jacob's Heart, Ken and I learned that the Calvin's hadn't arrived yet. Five minutes later that lovely blue Porsche drove up.

All present and accounted for, we stood for a group photo in front of the Jacob's Heart sign. We were: Johnny and Kathy Musser, Tony and Kris Vanacore, John and Angie Reed, John and Caroline Eiskamp, Dave and Sheila Dunwoodie, Peter and Jacqueline Ridgeway, Gary Goelkel, Bill and Emilie Highley, Russ and Doris Britschgi, Steve and Jill Harper, Hugh and Nancy Calvin, Gerry and Bonnie Lund, Ken and June Iles, Ed and Karen Tefankjian, and Ken and Margie Jensen.

*Steve and Jill Harper*

Our tour fees were going to Jacob's Heart as a donation. Upon entering, we gathered in the resource room which has lots of information on many different types cancer, some I had never heard of. Parents can come to Jacob's Heart to get information about services as well as help with paperwork. Currently, Jacob's Heart is serving 170 families, covering 4 counties.

Our own special tour guide, Mariela, has been a cancer survivor for 13 years. She and her family had received help, and services from Jacobs Heart. We saw a picture

*Mariela, tour guide, telling Jacob's story*

of Jacob, and Mariela told us his story.

Everyone's favorite room is the Jungle room laid out with giant stuffed jungle animals, trees a tent and more. After passing by the jungle we headed into the arts and crafts room. As well as art, it does double duty as a resource room for volunteers to pack grocery bags for the Jacob's Heart families. Afterwards, we passed the teen room. It's

a fun space complete with a piano, musical instruments, pinball machines and video games. Lastly, we went through a hallway of pictures. Every child who has gone through Jacob's Heart has their picture on the wall. Many are still with us. Mariela showed us her picture, as a youngster fighting cancer.

After the tour, we headed into the pristine agriculture lands of Watsonville. Each unique crop stood out from the rest. Cruising along the San Andreas Road soon brought us to La Selva Beach, with views of the oceans and Seascape Resort. Onward we drove entering Rio Del Mar and an interesting traffic drive up Spreckles Drive. Highway One had an accident and lots of drivers thought to escape on to Soquel Ave. Bad choice, they soon learned!

*On the way to Watsonville*

After a short delay the crew reached Trout Gulch and headed toward Valencia Ave. Valencia is a lovely redwood lined road giving one a sense of driving through a long, green tunnel. The next turn took us to Day Valley and its Porsche worthy curves.

It wasn't long before we reached the town of Corralitos and cruised along a variety of roads to the Eiskamp's home. Upon arrival John guided us into his driveway so we could park. As we entered the party house jaws dropped. Our spouses ogled John's garage of classic Porsche's like a man in the desert ogles a pitcher of ice water.

The Eiskamp's welcomed us to their beautiful patio and it's breathtaking view of the Pajaro Valley berry farms. Drinks in hand and plates of munchies, we relaxed under the shady pergola. John's wood fire pizza oven was going full bore. Caroline

announced that the pizza making was to begin. Everyone got a ball of dough and a choice of selections to dress their pizza. Think 2 cheeses, prosciutto, sausage, mushrooms and more. Watching us make a flat pizza circle was a bit hilarious. Fingers made holes in the dough. Some came out oval, square or free form. Few came out looking like a perfectly round pizza from Dominos.

We queued up and John had an assembly line of baking pizzas coming and going. There was a quiet murmur while we enjoyed our pizza and salad.

In the meantime, raffle baskets were on the table for our silent auction. Bidders went back and forth to up the ante. In the end the final results were: Dave Dunwoodie won the Passport Basket with the Passport for

discounts to places, eateries, and events. Gary Goelkel won the wine tasting for 12 at the Soquel Winery. Well, Gary you have 18 good friends from the tour ready to join you. Kathy Musser won the First Edition of "Porsche: Excellence Was Expected" and "100 Years of Porsche Mirrored in Continental History". I think I know what Johnny will find under the Christmas tree.

Nancy Calvin won the Chocolate and Port Basket. I hope that helps Nancy and Hugh survive the speeding ticket woes. Finally, Peter Ridgeway won the Spa Basket and the Martini basket. I suspect while Jaqueline is enjoying her visit to the spa, Peter will be enjoying his martini shaken, not stirred.

At this time LPR will be donating \$1,885.00 to Jacob's Heart and matching funds from PCA will be about \$425.00. Not a bad haul for the kind of fun day that LPR aims for: charity, a tour and a GTG rolled into one great event.

## **Collin Fat** **Zone 7 Rep**

**Sacramento Valley Region**  
**916.955.7966;**  
**cfat@fatsrestaurants.com**

As we approach the end of this very busy year a couple of things come to mind that happens each year. The first is upcoming elections for each region. This is something that goes to the core of PCA and that is to continue to get members to volunteer to serve on their regional boards or to take a leadership role and volunteer to lead an event or serve as a chairperson for a standing committee. Without new members stepping up at the regional level to take these roles and volunteer, each region could not deliver the variety or number of events which regional members have come to expect. Though many clubs will form a nominating committee to seek out volunteers, sometimes regions struggle with coming up with members willing to step up. I think it is the role of the board members not to just depend on an article in your local newsletter or a posting on your website to attract candidates. Nothing replaces approaching a potential candidate in person at a tour, monthly dinner or breakfast, or a regional autocross or DE event. It will surprise you when you about the response you might get from someone about running. Many times they might think they don't have the experience or know how to run the club. Nothing could be further from the truth with a little training. The second thing that comes with the election of new board members is the PCA mandatory completion of the Region Report form that is available on the national website. This is one of the most important forms that either must be completed by the outgoing president or the incoming president. If the outgoing president fails to complete the form the consequences can be dire. One of the effects of not submitting it is that national will not issue a regional club their quarterly subsidy until it is completed. The other is that the incoming president may not be familiar with the process and not yet have all the required information needed to complete the form. If you are an outgoing president, please insure that you fill this form out before the end of your term and do some sort of transition with your successor so that he or she can get started in the new year running.

The Zone 7 Competition series for the Concours and Autocross series have finished up with the last autocross event in October hosted by Sacramento Valley Region at Thunderhill Raceway Park on October 5th. The track surface at the skid pad location is pristine and provides some 650,000 square feet of very usable area. The event had 44 competitors with several drivers jockeying for position for yearend awards. The final concours event was held in Carmel Valley at the Carmel Valley Community Park, just east of Monterey. It was hosted by the team at Monterey Bay Region that included club president Steve Taty, concours chair Dave Alioti, and his team of volunteers. Supporting their efforts from Zone 7 were John D'Angelo and Simone Kaptizky. The venue was just beautiful with an expansive area to position the cars on the lawn and the awards ceremony and buffet lunch held under a beautiful oak tree canopy.

### **Upcoming Events of Interest::** Sunday, October 27th

The Zone 7 Winter Presidents meeting and Zone 7 Awards Banquet will be held in Roseville, California this year for the first time. Roseville is a suburb of Sacramento located just 20 miles east. All Zone 7 presidents and vice presidents are encouraged to attend or to send a representative from their club. Attendance is up for the concours series with 113 different cars participating. This is up 16% over 2018. I know that John and his team had set a goal to reverse the trend of participation in concours and I congratulate him on making this

happen. The autocross series has also seen a significant uptick in participation if the number of trophies being awarded is any preliminary indication of participation. Updates will be given from national staff regarding changes to PCA minimum standards for autocross and concour as well updates on Parade 2020 and Treffen 2020 to be held at the Broadmoor in Colorado Springs in the spring and the Fall Treffen at the Greenbrier Resort in West Virginia. The dates will be April 29-May 2, 2020 for the Colorado Springs event and September 16-19, 2020 for the West Virginia event. For more information on registration, go to [treffen.pca.org](http://treffen.pca.org). Remember that past Treffens have sold out in as little as one hour due to their growing popularity!

Finally, Yosemite Region hosted their 60th Anniversary bash on October 27th at Ironstone Winery in Murphy California. I want, again, to extend my congratulations and wish them another successful 60 years to come!

## LPR BOARD MEETING MINUTES

October 1st, 2019. Call to order at 7:00PM

Guests: Angie Reed, GeneBettencourt, Pat Goulet, Tony Vanacore, Steve Douglas, Barry & Suzette Pangerie

September 2019 Board Meeting Minutes (Motion by K. Musser, J. Gould seconded, passed unanimously)

### Board Member Reports:

**President – John Reed.** 2020 LPR Election Ballots Sent October 1st at 12:15am, Received Region Report/PCA, Filled in for Social Media and sent the October Prieta POST via Emailer3.

Thank you to Jim Turk for getting ballot out

Tony Vanacore ? “You don’t need to sign in with a valid PCA number to vote on events?” Jim Turk responded only for the Board Elections not for the Events.

John and Angie visited Jim Davis and he would still like calls and visits

**Vice Presidents – Kris Vanacore** reported on events: - No report from Lisa on GTG’s

I contacted Karen Morgan to see if she knew anything about the potential Oct 26 GTG but she didn’t have any info. Karen was working with Lisa on a potential November football GTG but too late to find a location (sports bar) and publicize. Next GTG will be the Gift Exchange at the Hallocks. Per Kris strike the potential Oct 26 Halloween from the calendar. NO additional GTGs unless Elephant Racing Tech Session in November adds a GTG to it’s description.

Annual Awards Event: Asked Peter to hit up advertisers for give-away prizes. If anyone has LPR or Porsche related “stuff” to donate please do as I’m making up mystery packs as prizes.

- Kevin produced a “magical” awards event flyer and Kat will include in Oct Post.
- Requested updated quote from Inn at Pasatiempo including mini-cupcake dessert display
- Emilie working on red, green, white, silver decor
- I need help producing the program and place cards as I’m computer ignorant. Tony suggested Kris reach out to Chris Schaut otherwise Kevin.

2020 Family Picnic: I have 2 dates July 11 and July 18 on hold with Roaring Camps and may need to request a deposit at November board. Need AX dates before committing.

2020 Awards Event: Working with Inn at Pasatiempo for Dec. 2020 date.

Planning Meeting: Morgan’s will host a St. Pat’s GTG in March 2020

- I will continue to reach out to members to secure GTGs for 2020 (Sickles?)
- Will provide a list of suggestions for options to in-home GTGs including dates for Barracuda games, SJ Giants games, Give bowling another shot etc.

Kris asked are we overfilling our calendar with events and diluting our attendance? Something to think about before the 11/17 planning meeting. Discussion followed around how much the club likes tours but GTG’s falling off.

50th Anniversary: received samples and quotes for champagne glasses

- Worked with Cinnabar to get to our \$10k minimum and will schedule a date in Nov/Dec where Emilie and I can do a tasting of their 2020 banquet menu (in process of being developed)
- Anne Roth suggested that we try to get as many past AX chairpersons to be at the first AX event of 2020. I’ll see who I can find, including Pete Seimans, Allison Pickard, Cathy Carlson, Alan Gail, Terri Z ;) Also spoke to Terri Z about early AX course maps

**Secretary – Iain McNeill.** Absent, Kris filling in.

❖ Minutes..

1) Anne Roth \$185 for Lands End set-up, proposed to approve Kris Vanacore, Seconded by John Gould, arrived by board vote

2) Dave Dunwoodie for \$417 for Zone 7 joint AX \*doesn't need approval for this to be sent back to Zone 7. Motorsport reg charged for Zone 7 dinner during AX weekend. Its a transfer out. Russ pointed out that we need to protect our treasurer so a vote was proposed by John Reed, 2nd by Kris Vanacore and passed by the board to return \$417 to Zone 7

- Recap: Sept. Financials, Expenses : \$2,278.53, Income: \$2,550.75,

Net Income: \$ 272.22. Expenses were from Autocross, Post, GTG-Family Picnic and Oktoberfest (deposit for site will be returned), Insurance, Administrative, Post Office

2019 Year to Date Financials, Expenses: \$ 38,858.79, Income: \$ 44,194.01, Net Income: \$ 5,335.22

**Membership – Kathy Musser.** New Members from PCA (3). Transfers in (1). Total members = 576.

**Activities – Vince Vincent.** I have received the observers report for Drive Your Porches tour. John is to give me both Release forms for this and the AX at the meeting. Have received the observers report for AX. We have not received the insurance form from National yet for the Hearst Castle tour; I will follow up next week.

**Member-at-Large – John Gould.** Perpetual Awards: need to collect all of the Perpetual Award plaques and figure out what to do with them (Give to Ken Iles?). List should be on the web. There will be new single awards for those events. Discussion about a small storage unit for LPR stuff? Too expensive.

### **Chairperson Reports:**

**Advertising - Peter Ridgway.** Saturday evening, Feb. 8th. Casino Night GTG with the Shelby club. LPR is invited to participate. Food trucks (working on details), "refreshments ", gaming tables. Action will be at Modderman/ Custom Alignment. We'll probably need to share some costs which are unknown at this time. I expect more information after the Shelby clubs board mtg next week. (Are we "in")? Peter will follow up to see what LPR's financial liability might be.

**Autocross – Anne Roth, Dave Dunwoodie.** What a weekend! Marina, on Saturday, in a word was brutal. Wind had to be whipping at 20-30 with stronger gusts at times. We did have some challenges keeping the course tied down-along with the timing gear. It all worked out. We had 83 drivers, yes I said 83.

Here are the numbers: 81 MSR 4141.05, 2 Gate 90.00, TOTAL 4231.05 Marina Inv(est) \$1985.00. To LPR: \$2246.00

Next event Oct 20 for kill-a-kone, Kris working on doing a FaceBook matching with Morgan Autism

**Charity – Kathy Musser, Kris Vanacore, Emilie Highley.** An article was submitted to Kat for the October Post. I plan on submitting another "SPOTLIGHT ON CHARITY" for the November Post highlighting the D'Angelo's Toys for Tots Tour in December.

SPOTLIGHT ON CHARITY Saturday October 12th - Jacob's Heart Charity Tour & Sunday October 20th - AX Kill-a-kone

Question about whether Peter and John Gould will be cooking dogs for the event. Yes, dogs and burgers. (Peter thinking of adding potatoes salad but Kris concerned about the amount of time allotted for lunch) Need to price and add to MSR prior to the opening of registration. Kris will follow-up with Anne Roth.

**Hospitality – Emilie Highley.** No Hospitality Report. . . everyone is well!!!!

**Prieta Post Editor – Kat Hsueh.** Nothing to report.

❖ Minutes..

**Public Relations – Ken Iles.** Article submission sent to Panorama on September 27th, 2019, concerning “Thirsty Thursdays,” and Steve Douglas’s “Harvest Tour”. It was accompanied by a group photo of members at Watsonville Airport.

**Rallye – Bob Frosthalm.** Waiting for November planning meeting to get some dates.

Do you have a date preference for the “redo” rallye for the 50th anniversary celebration? Kris advised Bob that we will put on calendar for spring timeframe dependent on AX dates and any potential tours

**Safety – John Reed.** Filled in for Social Media and sent the October Prieta POST via Emailer3.

**Social Media – Lisa Radding.** No report on vacation but will return for mid-month blast.

**Tech – Peter Ridgway.** Only a reminder about the Nov. 16th Elephant Racing Tech Session, checking with Chuck to clarify GTG or just tech session. He was not clear on that last week. Think he had to think about it. I’ll have answer for mtg tonight. They are thinking about MAYBE offering a Shadowdrive test drive for a door prize at the Tech session. No flyer in Post.

**Tours – Russ and Doris Britschgi.** Steve and Lori Douglas organized a successful food related Harvest Tour on September 22. After a week of continually changing reservations, 26 people starting in two different locations joined together for a buffet brunch at Ella’s at the Watsonville airport, followed by further touring with stops at two open farms, Corralitos Market, and Gizdich Ranch. Steve sent an email that said that the lunch bill was \$547.49, 22 attendees paid \$25 per person for a total of \$550. Per John Reed 3 or 4 people who went on the tour but didn’t stay for lunch.

Saturday, October 12, Jacob’s Heart Charity Tour - Some details are in the September POST and others will be provided upon RSVPing.

November 2-3 is the long awaited Hearst Castle Night Tour organized by the Reeds and Ridgeways. Final plans are being firmed up on an upcoming pre-run for this sold out weekend event

Saturday, December 1, Toys for Tots Tour hosted by John and Honore D’Angelo - Details are still to come, hopefully in the October POST.

Anyone interested in giving a tour come to planning meeting. Doris is waiting for planning meeting for 2020 tours. Kris suggested that they reach out to members who have done a tour in the past. Doris, per Steve Douglas, lots of other clubs with events like the 356 club and 912, R group etc..

**LPR 50th Anniversary Update:** See VP report.

**New Business:** - Per Vince Vincent Ken Iles reached out to ask about a member cruise. Something to think about. Tony Vanacore asked about getting a storage closet for all our historic stuff but it appears to be too expensive - \$200 or more a month.

## *Loma Prieta Region's 50th Anniversary!*

In March of 1970, a new Porsche Club of America region was founded, Loma Prieta Region. Yes! That's us! And it means that our club's 50th Anniversary is coming up in March next year.

Many things have changed over the years, like not bringing your own plates and utensils to Good Time Gatherings but the "Good Time Region" is still all about enjoyed passions; for our cars, great roads but mostly great friends.
