Vote – Let Us Know You’re There...

It’s that time of the year when you’re asked to vote in the upcoming 2020 election of the LPR Board of Directors and also those nominated to receive 2019 event and individual awards. I realize this doesn’t top your lists of things to do during the month of October, but keep in mind that without your Board of Directors and committee chairs there would be no Loma Prieta Region.

The members listed on the online ballot have volunteered to keep LPR running smoothly through 2020 and wouldn’t it be nice if you, in return, spent a few minutes to vote and show them your support. Those nominated for awards appreciate your vote as well. The ballot will be in your inbox around the first of October, you have until the 31st to vote, please find the time to vote and let us know you’re there.

A Few Thanks...

Since the beginning of the year our Member at Large, John Gould, along with his committee has been reviewing the LPR Bylaws and Policies & Procedures. Raise your hand if you’ve ever heard of these documents? John and the committee, Dave Dunwoodie, Johnny & Kathy Musser, Ed Tefankjian set out to update and recommend needed changes.

As required, at the September board meeting, John presented the final versions of both documents, the board and committee chairs offered input during the year, but the bulk work and heavy lifting was done by John and his committee who spent many hours on your behalf making sure the Bylaws and Policies & Procedures were up to date and accurate. These rules and regulations are how we conduct the business side of the club - raise your hand if you knew that? On behalf of the LPR board and committee chairs I want to say a big thank you to John and the committee for their tireless efforts in this endeavor, it’s appreciated!

LPR’s 50th anniversary will take place on March 28th, 2020. 50 years, imagine the changes not only in LPR but Porsche AG as well over this period of time. Kris Vanacore and her committee, Diana Hallock, Emilie Highley and Margie Jensen, are planning what will be a memorable milestone of memories for this gala celebration. Thank you Kris and

❖ The Road Ahead..

friends for your time and expertise as you go forward in making this a 50th anniversary night to remember.

The new LPR Goodie Store, under the direction and creation of Anne Roth and Jim Turk, is up and running. Everyone can now buy apparel from Lands End with the LPR or 50th anniversary logo strategically placed at your discretion, you can also purchase items from PCA as well. Check out the info in the September and October POSTs and future issues as well. Thank you Anne and Jim, the new and improved LPR Goodie Store has finally arrived!

Finally...

Volkswagen Group announced a while back the end of the VW beetle, aka the bug. The circa 1930s little 'people's car' has met its maker - no, not Dr. Ferdinand Porsche, but the end of the production line forever. How about it? Do you have a favorite beetle/bug story? If it's one thing most Porscheites have in common it's the ownership of a VW beetle somewhere in their car purchase lineage. I have a VW bug tale and will get into it with next month's column. I can hear your hearts racing in anticipation. In the meantime, crank up the exhaust and we'll see you on...*the road ahead.*

Who here loves pumpkin pie? It's that time!

Fall is my favorite season and Halloween is one of my favorite “holidays”. And has anyone been to Trader Joes lately? They have all kinds of pumpkins and a bunch of seasonal scented items such as Apple Cider and Pumpkin. I picked up some candles and foaming hand soap.

If you didn't make the Harvest Tour a few weeks ago, then you can do your own “tour” and visit more farms Columbus Day weekend, October 12-13. Get more info at:

[Open Farm Tours](http://www.openfarmtours.com/) (<http://www.openfarmtours.com/>).

Also, the Half Moon Bay Pumpkin Festival is the weekend of October 19, so go before or after. There are some great roads to get there right in our backyard and even Highway 1 is a treat this time of year.

Until next month...

Harvest Tour

by Steve Douglas

Photos by Steve Douglas, Deb Frosthalm and John Reed

September is harvest time, a great time to explore the farmsteads for fresh fruits and vegetables. Sunday the 22nd was “Drive Your Porsche Day”, celebrating Ferry Porsche’s Birthday (actually the 19th). It started out as Drive Your 356 Day, but has grown in some places to include all Porsches.

Two starting locations were set, Soquel (8 cars) and South Almaden Valley (6 cars), meeting for brunch at Ella’s at the Airport, (3 others met there).

Brunch at Ella's at the Airport

Ella’s is low-key, has great food, located in the Watsonville main terminal, and Ella owned 356 Porsche before selling it to fund the restaurants. Being on the patio we could watch the planes land and take off as well as the skydivers landing nearby.

Starting off, our first stop was Clearview Orchards, and it was busy, so we parked in a dirt lot, you could hear the grumbles about dust. But, soon that was forgotten, families enjoying the u-pick apples, pumpkins and fruit stand, all livened

up the group.

Leaving there, we went up Larkin Valley and to Corralitos. Corralitos is Spanish for “little corrals”, in the late 1700s, Mission Santa Cruz set up an outpost here to graze cattle for hides and tallow. Nowadays it’s famous for sausages and smoked meats, all done

Shiny!

at the Market. Several bought sausages and snacks, we bought their bacon too, cooking it reminded me of camping, cooking on an open fire.

Looks like Starbucks was a good starting point

Setting out for Live Earth farm we traveled some less than perfectly paved roads, dodging potholes, we arrived to face another dirt driveway and parking, OH NO!!!!, dust on my Porsche... Live Earth is a community based farm, with u-pick berries, tomatoes, and apples along with other harvested

crops being sold at their stand.

crops being sold at their stand. We had mentioned pie earlier and that was our next stop was Gizdich, the ever popular ranch for fruits, preserves and PIE. Parking was scarce and need up in the orchard, a normal Sunday, as it took some about an hour to get a whole take out pie.

Nice day for a drive

We had set the tour’s end back near the airport, with beers and food. Elkhorn Slough Brewery is in a warehouse, with couches, Sports on the big screen, funky bar area and Ate3One food truck (area code 831)

8 of us made it that far and enjoyed a few beers and food off the truck. Calling it a day about 4pm.

Fun drive, visiting places that are a bit different, and a few new faces made for a successful tour.

Zone 7 Rep

Sacramento Valley Region

cfat@fatsrestaurants.com

Summer has just flown by for me as both August and September were filled with many different regional as well as some large national events. In August I attended my first Werks Reunion and the Rolex Monterey Historics at Laguna Seca as a Zone Representative. It was very interesting to see what goes on in the background in planning these large scale events. For Werks, there some 90 volunteers who helped at the event from directing car placement in the display area as well as the Porsche corral. I am told there were more than 600 Porsche cars. The facility at Corral De Tierra provided a perfect backdrop for all of the amazing cars on display. I volunteered in the PCA membership tent and had a great opportunity to meet with current PCA members as well as Porsche owners inquiring about membership in the club. My hat is off to Tom Provasi and his dedicated staff for putting on another great event!

I also attended the Rolex Monterey Historic races on the same weekend, and under the watchful eye of Lyn Friedman, PCA National Corral and Porscheplatz chair, learned about what it takes to setup the hospitality tent and car corral at this wonderful and well attended event. I was assigned the duty of arranging volunteers to staff the tent as well as to organize the car corral. Not knowing what to expect as far as crowds, I was amazed that more than 500 persons visited the tent to watch the

races on the large screen television, enjoy the catered lunch on Saturday, or to rest in the shaded tent while watching the race at turn 5. I would like to thank Tom Carroto, Michael Krebsback, Steve Ponsi, Lyn Austen, Sharon Neidel, Carolyn and Kirk Doberenz, Steve Cate, Pam and Dan Richards, Brian Adkins, Sergio Meza and David Gates for helping out.

As we enter the fall there are several events of interest that you may have an interest in attending including Yosemite Region's 60th Anniversary being held in Murphy's California and the final events for the Zone 7 concours and autocross series. The following may be of interest:

Yosemite Region 60th Anniversary: Sunday, October 27th

Yosemite PCA is celebrating its 60th Anniversary. We are hosting a multi-region event at the Ironstone Vineyard in Murphys and would love to have you join us. There will be a morning drive, socializing and lunch at Ironstone, a quiz to test your knowledge of obscure trivia, photo opportunities and grandiose preferred parking. You may want to make a weekend visit to Murphys and spend the night at one of the Bed & Breakfast Inn's, great local restaurants

for fine dining, visit one or many of the local wineries, or just stroll through this quaint little town. We expect many will shine up their cars to get the best photos from our professional photographer. Tickets are \$50 for each person attending. To register go to yos.pca.org for the Eventbrite registration link.

Zone 7 Autocross Series: Saturday, October 5th

Sacramento Valley Region will be hosting the final Zone AX of the season at Thunderhill Raceway. If you are in the running for Zone points this event is a must. All drivers competing for series titles must compete in at least 50% of all schedule events and must participate in at least 3 events at different regions. See attached contract from the HOA for our reservation and details. A check will be required for deposit. I'm guessing we need to discuss at Board meeting for final details. As previously discussed as a non-profit our cost to rent hourly is \$50.00. I would think we should rent a minimum of 5 hours. We'll have full access to the clubhouse, kitchen, outdoor patio and Bocce court.

Discussion: \$500 doesn't include cleaning deposit. \$675 needs to be approved including refundable deposit & cleaning fee. John G. proposed, Lisa seconded, voted unanimously. Schedule is 4pm set up, tear down completed by 9pm. Surplus funds will be refunded to LPR after the event.

Peter Ridgway and I discussed having the next GTG at his upcoming Tech Session which introduces the newest Porsche Hybrid and thought what an excellent way to combine our love of Porsche with our club interest in gathering. This event is scheduled for November 16th.

Then following these events if we also thought that we could make an official GTG with the final Auto-Cross event supporting the Kill a Kone Event, this would offer an October event.

Tech – Peter Ridgway. I am somewhat late in advertising the Elephant Racing/ Vonnens tech session on Nov. 16th but I'm pretty sure it will be well attended.?? Chuck Moreland will be featuring Vonnens's new Shadow Drive system for both water cooled AND air cooled Porsches. I'm working on turning the post tech session into a GTG. We'll bring in chairs and cater lunch. Still working on the details with respect to cost.?? So far, Chuck is still grudgingly agreeing to a "Shadow Drive" test drive as the door prize. Only one test drive will be awarded (unless Chuck is feeling like more.)

I've already started working on tech sessions for next year since it's been hard to schedule them with all the GTG's, tours, etc. we usually pack the schedule with. I'm also working with Dave Modderman to set up a JOINT GTG with the Shelby Club. It will be on a Sat. night at Modderman's. Prob-

Adjourn Meeting: 7:56PM

NEXT MEETING – Tuesday, September 3, 2019, 7:00pm at Round Table Pizza, 14940 Camden Ave, San Jose

TIP: HOW TO HOST A GTG (GOOD TIMES GATHERING)

THEME: Think of a theme – not necessary – but fun!

DATE: Decide on a date and time for your GTG. Notify the Post Editor of your GTG at least three months in advance for publication in the Prieta Post.

ACCOMODATIONS: Will your home accommodate 40 to 50 members attending your GTG? If not, you may want to set a limit and take that many RSVP's only. This is your choice, but something to keep in mind

WHAT TO SERVE: Decide what you would like to serve. If you would like to supply the main dish or meat, charge enough per person to cover this. \$10.00 per person is the suggested MINIMUM event fee that the Board has established for Pot Lucks and GTG's stated in our Policies and Procedures. You will want to have some water and sodas available, but for beer and wine it should be BYOB.

FOOD SIGN UPS: Have all members, as they RSVP, sign up for an appetizer, salad, side dish OR dessert. You may even want to have someone bring the water and soda.

MONEY: The money brought in that evening should more than cover your cost of the meat or main dish and the \$40 Thank You Gift. The objective is to have GTG's break even financially. Hosts are exempt from the event fee and may have up to four non-member guests without charge as stated in our Policies and Procedures.

RSVP: The night of the GTG, supply your RSVP list to the Vice President to aid in collecting the event fee.

PRIETA POST: As people RSVP, ask someone to do a write up for publication in the Prieta Post.

HELP: Consult with the V. P. regarding any questions or concerns on any of the above.
