The Road Ahead

John Reed, President

50th Anniversary This Month...

If you haven't heard, say you've been on a mission to Mars and back and the news hasn't filtered into your memory packet, Loma Prieta Region is celebrating 50 years of good times at the end of this month and you're invited to attend this gala dinner on March 28th at the Cinnabar Hills Golf & Country Club in San Jose. All of the information is in the Prieta POST, either online or the print version. The publicity has been front and center and in your hands for the past several months, so now is the time to stop thinking about it and register to attend. We especially invite the Mars round-trippers, who obviously have been out of touch, to shake the dust of the red planet off their boots and get with it.

How about this for a slogan: I got with it – I'll be there!

The 50th Anniversary party has been the baby of Kris Vanacore and friends since last year, many hours of time and effort on their part has gone into making sure that you will have an evening to remember with your friends in LPR. Kris reported at the February board meeting that we had 65 signed up so far, not bad so far. The hope is by the time you read this in the March POST those 65 numbers would have swelled to way beyond 65. Listen up: As a treat during the evening you'll be hearing from Ken Iles, Esper Kershaw and myself (maybe a few others) on the beginnings of LPR and how we survived to tell the tale. The "hosted bar" before and after will help you enjoy the stories; it will help us as well remember things we didn't know, but could have happened!

For those out-of-towners, or those wishing a romantic night away from the in laws and the crazy cat, Kris has arranged a great rate at a local hotel with shuttle buses ferrying passengers back and forth. Kris and company have thought of everything for this event!

So...a champagne toast, a wonderful meal, comradery with new and old friends, dancing to the hits of the 70s and beyond and a few special activities are waiting for you on March 28th in a beautiful setting nestled into the hills above the south bay. Another slogan from the way-back machine that slithered into the early 70s – *be there or be square!*

Volunteers Needed...

We have an opening on the LPR Board of Directors for a Membership Director.

❖ The Road Ahead..

How about it? Do you think you could help out for the remainder of the year? We wish to thank Kathy Musser for her service last year and into this year. Kathy said that she would be happy to show someone (maybe you) the ropes of being the LPR Membership Director. As an incentive this LPR job could be divided up between two people as it has been in the past, which makes it somewhat easier. Think about it and if you're available to help out give me a call or fire off an email. Thanks!

Porsche's EV Rocket...

We attended, along with other LPR members, the Casino Night at Modderman Porsche in early February. Bob Frosholm will entertain you with the full story, but one non-gambling tale must be told: LPR's Peter Smith drove up in a 2020 Taycan Turbo EV which became an immediate must-see hit.

After his passengers, wife Susan, and Ed and Karen Tefankjian deplaned, Peter offered E ticket rides to anyone wishing one - and we wished one! With Angie tucked firmly into the back seat and myself strapped snugly up front we were ready to experience the future in this newest EV rocket from Porsche. Peter activated the launch control, smiled and asked if we were ready, we nodded and in a blink of an eye we were instantly launched into hyper-drive. We called it a blast! Literally. We were flattened in our seats faster than you can say *cowabunga*.

We thanked Peter for the demonstration of what a well-engineered EV can do and our extended thanks to Rector Porsche of Burlingame for allowing Peter to bring this latest-greatest Porsche adventure to Casino Night. Oh, members of the Shelby Club and Corvette Club were equally impressed, several went on the E ticket ride as well.

Catching my breath while reflecting, I realize I've seen the reality of the future of Porsche on... *the road ahead*.

Our lovely hosts Bonnie and Lisa Radding

Soup Night

by Margie Jensen

Photos by John Reed

Soup Night is one of my favorite events of the new year. It usually comes when we have endured a spate of cold, often wet weather. This year was no exception. No matter what Mother Nature throws at us, soup with friends is warming to both, body, and heart. For the third year in a row Bonnie and Lisa Radding have opened their home for this tasty event. Of course, we must start with the appetizers. Bonnie made Ken's favorite, cream cheese and crackers with caviar on top. Crispy cheesy egg bars from Deb Frosthalm titillated my palate along with cheesy crackers with olives and pickles from June Iles. I think I might be sending out a request for the recipes of these delicious appetizers.

Chicken Minestrone- yum!

Lisa greeted us with directions to the wine and drinks table, and was soon announcing "Soup's not just on, it's done!" "So, get it while it's hot." Offerings included Lisa's Turkey-Lentil soup, Angie's Turkey-Vegetable soup, Cheesy Corn Chowder with Bacon by Emilie, and Chicken Minestrone from Bonnie.

Complimenting the soups was lots of crusty bread and three salads: a Caesar Salad from the Vincents, Tossed Green from the Provasis' and Ambrosia from me. After lots of chatter and refills, came dessert. Joanne Antonowitz brought always loved lemon bars. Bonnie made the Apple

Crisp bars and delicious, gooey Caramel bars from Doris topped the dessert list. Sweet or tart there was something to ruin every diet.

Before too long, John attempted to get our attention to thank the Raddings for a wonderful night and to make announcements of upcoming events. He eventually succeeded. Who needs an expensive five star restaurant? Soup night was a Foodies delight.

The lemon bars were a hit!

Crow's Nest Tour

by Mary Wallace

Photos by Nancy Calvin and John Reed

Carrie and Bob Ross's 912

They did it again! John and Angie organized the restaurant and Russ and Doris assisted with pre-run. We had a fantastic Crow's Nest tour to Santa Cruz. The weather gods provided us with a beautiful day, clear skies, and great dry roads. It all started at the Kings Court parking lot in Los Gatos. There we did our initial "Hellos", hugs, and catching up. Karen and Bob Morgan have a new granddaughter I didn't know

about. Everyone "oohed" and "aaahed" over the beautiful golden green '69 912 Carrie and Bob Ross brought. The sound of that engine brought back so many memories.

I was surprised to see Ken and Margie Jensen meeting us in Los Gatos

Doris Britschgi giving directions

instead of just wandering over to the restaurant in Santa Cruz. Has everyone noticed how much Margie is enjoying retirement? John D'Angelo told us about how the rainstorm with downed trees had cancelled our Toys for Tots tour, but thankfully we were able to find a place to donate the toys.

We were divided into two run groups. John and Angie led the first group with Morgans being sweep. Russ and Doris led the second group and Dick and I were sweeping. Beautiful roads as we wound through the mountains and fortunately few cyclists. There wasn't even that much traffic when we reached Santa Cruz and traversed the city streets with their signal lights.

At the Crow’s Nest an attendant directed us into a special parking lot which we all appreciated.

Once inside the restaurant, Ken Iles was first at the bar ordering drinks for himself and June and Esper Kershaw. Those “founding fathers” were all looking great! We were at a table with Inga and Charlie Palmer and George

Reserved parking

and Carol Grialou; so we got caught up on LPR as well as GGR events. Our personalized menu got it right this year with Loma Prieta Region, not Los Gatos. Lunch and the service were excellent.

In the after lunch “wrap up” John reminded us about the upcoming events and Bob Frosthalm told us about the upcoming rally/wine tasting later this year.

PCA National Staff Meeting: One of my responsibilities as your Zone Rep is to attend the annual national staff meeting and the board of directors meeting at Parade each year. This year the National staff meeting was held in Dallas with the executive council, national staff and all national committee chairs in attendance. As a Zone Rep we get the latest updates from all the national chairs on issues related to club racing, social media best practices, policies and procedures as they relate to your club's bylaws, updates on the 2020 Region Procedures Manual, issues related to safety procedures, Parade, Treffen, membership growth, the financial state of the club, and the general direction the executive council is planning on taking the club. Following is my report to you, the members of Zone 7.

Financial Conditions and Membership Growth: The club continues to be in a strong financial condition and plans on reinvesting funds in the year by continuing the quarterly region subsidies. You need to remember that the region subsidies are only made possible if the club reaches certain thresholds as established by the club's annual budget. Region subsidies can vary year to year. PCA continues to be the only car club in the United States that has grown over the past year while other clubs like SCCA, BMW, and Mercedes have either remained flat or have shown a decline in membership. For 2019, PCA allocated about \$90,000 to promoting and marketing membership to owners of Porsche automobiles and the return on investment has been substantial with membership growth near 3 percent. The leadership of the club continues to focus its efforts on growing its membership while increasing its support at the regional level. The overall health of the club is in good shape.

Social Media: Most clubs have a social media chair that handles its Facebook, Twitter, and Instagram postings. However, having a presence on social media comes with some responsibilities and risks. National Social Media chair, Maggie Goodman, reminded all Zone reps of some of the pitfalls and issues related to postings on social media that surprised me. She reported an incident where a member posted a photo of a member taking a selfie of himself while clearly crossing the double line on what appeared to be a twisty back road and also several incidents regarding inappropriate content not in keeping with PCA guidelines. There were no issues cited for the regions in Zone 7. Good job managing your social media. However, Maggie did point out that some of the inappropriate content was posted from regions that have a Facebook group format versus a Facebook page format. With the group format, non-members from outside the club can post which can result in issues while the page format is preferred.

West Coast Race Series: For 2020, PCA club racing is thriving while on the West Coast, our series has fewer club races scheduled than in 2019. Most of the club racing on the West Coast has occurred between Zone 7 and Zone 8 with both Zones hosting 5-7 events in 2019. For 2020, Zone 8 is only hosting one event; The Festival of Speed. Zone 7 has scheduled 7 events for 2020. National club race chair, West Dillard, reported that club racing has experienced modest growth over the past year but that competition for track events across the nation has increased with other car clubs and organizations competing for drivers.

Parade and Treffen: Porsche Parade Palm Springs opened registration for phase 1 recently and so far 865 members have registered. This compares favorably with registration at this point in time with Parade Spokane which had similar numbers. There was an apparent glitch with the room block held for Parade resulting in some members being put on a wait list even though plenty of rooms were available. Parade chair, Ron Gordon, reported that rooms are available and should be when phase 2 registration opens on March 31st. If you are considering attending Parade this year, I highly recommend that you register for your room now. I think many members have been thinking that a Parade held in June in the California desert would have low attendance, but I think so far that registration has shown that Parade again will be a huge success regardless of the weather.

Harry Season, Treffen national chair, reports that Treffen Broadmoor sold out in about 18 minutes. Congratulations to the 26 members in Zone 7 who were lucky enough to be able to sign up. There is a waiting list in effect for the event so if you have a desire to attend, get yourself on the wait list. Treffen Greenbrier registration will open shortly after Treffen Broadmoor and again is expected to sell out. For members wondering why PCA has limited attendance to a Treffen to 150 cars, the answer is the desire to keep the event small and deliver a high quality experience that is different from Parade.

PCA Region Subsidy Increase: Effective January 1, 2020, PCA has increased all region subsidies by some 40 percent. The following region subsidies are now in effect:

PCA National Subsidy Update

Subsidy	Past	New	% change
Hospitality Park	250	500	50
2 Event Multi Region	300	500	40
3 Event Multi Region	400	750	47
Charity	450	750	40
PCA Register Group 2 event	300	500	40
PCA Register Group 3 event	400	750	47
Region New Member Social	250	500	50

Events of Interest: CRAB 38 will be hosted by Sacramento Valley Region, May 29-31. Registration for this event is now open at: svr-crab38.eventbrite.com. Shasta Region will host the Zone 7 Tour again on June 11 -15. This is the phase where you register for tours, banquets, and the competition events. The tours have been extremely popular and generally sell out. Sierra Nevada Region will host the Mammoth Tour July 25-26. Treffen 2020 to be held at the Broadmoor in Colorado Springs from April 29th to May 3rd is sold out with a waiting list in effect. Registration for the fall Treffen at the Greenbrier Resort in West Virginia from September 16-20th will open shortly after Treffen Broadmoor so for those of you who may have an interest in attending watch your emails for a notice.
