Got cabin fever?

Does your Porsche have garage fever?  
Are you and the Porsche in need of a drive?

If the answer's yes then we're headed  
Out & About on Saturday, January 23rd and  
we welcome you to join us.

This tour will be a leisurely 90 minute,  
or less, cruise around the outskirts of the  
Santa Clara Valley.

Of course all PCA and LPR safety protocols  
will be in place. The start location and time  
will be sent once you RSVP.

The sign up deadline is Wednesday, January  
20th, but we hope to hear from you before  
this date.
